Mr. and Mrs. E. L. Davis, who celebrated their Golden wedding anniversary yesterday at their home in Jacumba.

Jacumbans Observe 50th Anniversary

"Rearing nine children to be self-sustaining and law-abiding citizens" is listed by Mr. and Mrs. E. J. Daves of Jacumba as the outstanding joint achievement of their 50 years of married life. The couple observed their golden wedding anniversary yesterday.

Sight of the nine were with the Daves at a recent celebration of the anniversary. One daughter, Mrs. Lee Lyndahl, of Fresno, a recent mother, was unable to attend the celebration.

Married in Palo Pinto, Tex., Mr. and Mrs. Daves engaged in farming in Texas and New Mexico before coming to California in 1925. Like many other residents here, they visited this area, then decided to come here to reside.

The couple's children, all residing within the state, are: H. L.

Daves of Gavitt; A. J. Daves of Plaster City; Mrs. J. F. Holdings-head of Monterey Park; J. L. Daves and M. E. Daves of this city; R. E. Daves of Boulevard; L. D. Daves of National City; Mrs. William Carpenter of La Mesa, and Mrs. Lyndahl of Fresno.
